Hi Nick!

Terry Sligh and Katie Chamberlain will be your contacts on this project. Katie has done extensive work at the site and can provide you with any information you need. I've copied Terry and Katie on this email so that you will have their email addresses. Their phone numbers are as follows:

Terry Sligh: 501-682-0867

Katie Chamberlain: 501-682-0872

Thanks,

Hello Penny,

I was asked to conduct an assessment on the Hope Iron and Metal Site, and before I schedule a site walk with your folks, I was wondering if I could get the new contact for the site, and any responsible party information(names/address/phone numbers) so I can begin to work on site access. My information is below. Thanks!
